III. CCS Policy Handbook (Neola) – Second Reading

Information has been shared with the board on an ongoing basis regarding the new CCS Policy Handbook (Neola). The transition to the Neola board policy platform is important to keep the policy handbook updated on a regular basis and have the policies vetted by school attorneys. A first reading of the CCS Policy Handbook (Neola) was presented at the July 8 regular session, and no changes were proposed during the first reading. Your approval of the handbook is recommended.

IV. Security Service Agreement with LawMan

Included in the board packet is an updated security service agreement with LawMan, the company that provides SROs for CCS. The initial agreement was issued in 2016, and this is the first rate increase since the initial agreement with Lawman. The rate increase is \$3.00 per hour, from \$27.25 to \$30.25 per hour. Local law enforcement officers are utilized to serve our schools, and they have been well received in our buildings. Your approval is recommended.

V. 2021-22 CCS Reentry Plan

The draft of the 2021-22 CCS Reentry Plan was presented to the Board at the July 8 regular session. The final version is included in the board packet and will be reviewed at the board meeting. The plan has been approved by our school attorney and the Clay County Health Officer. With the ongoing fluidity of Covid-19, revisions to the plan may be necessary, similar to the required changes to the CCS Roadmap during the last school year. Because of this, it is requested that the Board provide the administration with the flexibility to make changes, as necessary, to address mandates issued by local, state, and federal agencies. The Board will be kept abreast of these changes and will have the opportunity to address them at the next board meeting after the changes are implemented. Your approval is recommended.
