Reading at Home Tip (from readingpartners.org)

The best way to incorporate reading in the household is to devote 20 to 40 minutes, at the same time every evening, to family reading time. Make it part of a routine.

Another fun idea is to have children read to their pets, siblings, or stuffed animals, like a game.

It has been a few years since Staunton has had a P.T.O., and we would like to get this program started again. We will have our first meeting in January. Please let your child's teacher know if you are interested in joining our P.T.O.
